The 1823 Spinning Block Hotel, Bar & Grill at Holmes Mill is a stunning restoration of a former weaving shed, reinvented as a chic boutique hotel. Now available as a beautiful backdrop for your special day.

You'll walk down the aisle in a space featuring the natural textured walls, exposed beams and period character that you would expect from a building that has lasted the decades.

Then it's over to the stylish and beautiful Bar & Grill to enjoy a fabulous drinks reception, wedding breakfast and evening reception in this truly remarkable venue.
